

WOW!!!

What a season we have had at Narre Warren Bowls Club:

7 teams competed in Sat. & Tue. pennants: 6 teams qualified for finals and 1 team missed out by 2 points on finals;

4 teams won promotion with victory on first day of finals; 2 teams won pennants with victories on second day of finals.

We increased our participation rates of both men & women during the season!

AND-our roof is to be built in the off season.

Lots of interest being shown in membership and we invite anyone interested in joining a strong progressive club with a roof over 2 greens to give us a call. Special memberships are available!
