

## **Its all happening at Narre Warren Bowls Club!**

The City of Casey today announced that Expressions of Interest have opened for construction of a roof over the 2 greens at Narre Warren Bowls Club. This is the preliminary step required to enable Tenders to be called on 30 May 2020.

It is planned for the successful tenderer to be announced in early July 2020 and construction to commence mid-July 2020. Completion of the roof is anticipated in December 2020!

We are all very excited about this milestone being reached and look forward to the culmination of more than 3 years of fundraising and planning.

Narre Warren Bowls Club is a Community Club and a Community Hub and does not derive any revenue from gaming or gambling.

We welcome anyone who would like to become a member of this progressive Club to contact us about our membership packages.
